ENTERTAINMENT BOOKS: Ready to Go

Our first fundraising program started yesterday, September 22nd and will run until October 6th. Our goal is to raise at least \$2,500 towards the improvement of our library resources.

Here too is a reminder about an easy and quick way to sell books on-line:

“Entertainment makes it easy to sell (and buy) books online, and our school earns profits for those sales too. Simply, go to: www.fundraising.entertainment.com, on the top bar click on “Seller’s Section”, register your email address and seller’s information and enter our school’s account number: **136304**. From this site, you can send out emails to people inviting them to purchase books (including out-of-town books) and our school will earn money from these sales as well. As an incentive, sending out 5 such emails will enter you in a series of draws for Family Fun Nights (\$150 Visa gift cards) and Starbucks gift cards. These incentives are in addition to the prizes your children will automatically receive based on their total sales.”

FALL SOCIAL... Saturday, October 24th

We have some great plans coming together for a fun Fall Social this year! This event provides a great opportunity to meet new families and spend some time with school friends in a more festive and casual environment.

One of the highlights of the evening will be the Silent Auction of special art projects as created by the students in each grade.

Stay tuned for this year’s event theme! While details will follow very soon, mark your calendar now to attend and invite family and friends to join you!

This is also a great time to earn some Parent Participation hours by helping with the event planning, set-up/tear-down and running of activities. If you are interested in helping out with the event, contact Sean Davies as soon as possible by e-mail at: wally7@shaw.ca .

FUNDRAISING: Looking for Connections and Opportunities

We had very successful fundraising programs last year and we look forward to some great results this year, too! We have several fundraising activities planned again for this year with more details to follow. At this time however, we ask you to consider any connections you may have that can provide products or services to support our fundraising efforts. Please contact Sandra Merk with any suggestions or leads at your earliest opportunity at srmerk@shaw.ca.

THANK YOU !
